

SUPPLIER MANAGEMENT WORKSHOP (SM1)

Duration 1 day
Contact andrew@harrison-associates.co.uk

DESCRIPTION

The Workshop sets out to establish partnership as the foundation of 'good practices' in supplier management.

MAIN OBJECTIVES OF THE WORKSHOPS

- An opportunity to share supplier management issues with colleagues
- Understanding contract options which might be applied when negotiating new deals
- Generating a global and personal action plan for improving performance with suppliers
- Generating a checklist which can be used immediately to help reduce the risk of poor supplier relationships
- Practical tips on supplier management

A case study will be used to illustrate key issues within supplier management
